

Learning from Home (P5/6) Week beginning 11/05/20

Spelling

Learning Intention - I am learning how to spell common words.
Your Phoneme is 'ch'. Create your own spelling lists containing this sound with these spellings:

ch	tch	†
Chin	Match	

Mental Maths

Learning Intention - I am improving my mental arithmetic by putting it into practice.
Complete the attached worksheet entitled 'Mental Maths Puzzle'.
You will need a set of colouring pencils!

Health and Wellbeing

Learning Intention: I am learning about how advertising and the media affect us.

1. Take a look at the '**Advertising**' sheet to learn more about how adverts are used to influence people in choosing what to have or buy.
2. Complete the '**Comparing Adverts**' sheet.
3. Make an advert on a healthy snack and use some of the things you have learned about how to make a good advert. The advert can be a poster, a jingle or even a short video.

Class Novel Study - 'How to Skin a Bear'

Learning Intention: I am learning how to identify the purpose and main ideas of a text.
Download the e-book 'How to Skin a Bear'.
Read Chapter 4.
Complete the attached worksheet entitled 'How to Skin a Bear Activity 4.'

Ordering Times

Learning Intention: I am learning how to order recorded times, using my knowledge of decimals.
Complete the attached worksheet on the 'Winter Olympics'.

Health and Wellbeing

Learning Intention: I am developing and improving my fitness.

We know exercise is important in keeping our bodies and mind healthy but how fit are we. Try the following activity to see!

Have a look at the '**Fitness Assessment PowerPoint**' to see how to complete each type of exercise. Use the '**Fitness Assessment Activity**' sheet to record your results. You can try it every day for a week to see if your fitness improves!

Reading Comprehension

Learning Intention: I am learning how to identify the purpose and main ideas of a text.
List the words used in Chapter 4 of How to Skin a Bear that are used to create an atmosphere, such as 'scary', spooky, tension 'or' relaxed.

Decimal Number Addition and Subtraction

Learning Intention: I am learning how to add and subtract decimals numbers mentally.
Complete the attached worksheet on decimal number Addition and Subtraction.

French

Learning Intention: I am continuing my learning of French using an online learning resource.

Go to <https://www.duolingo.com/welcome> and then **Sign Up**. You will need an adult's email address to create your profile and keep track of your progress. Choose a password you will remember easily.
The more you visit the site the more points you earn so try and log on at least 10 min a day.

Spelling Game

Learning Intention: I am learning how to spell common words.
Have a look at these common spelling rules and give the games a go! There are lots of commonly misspelt words here, so it's a good practice!

<https://spellingframe.co.uk/>

Fractions

Learning Intention: I am learning how to solve problems using my knowledge of Fractions.
Complete the attached worksheet on simplifying fractions.

Food /Food Technology

Learning Intention: I am increasing my confidence and creativity in making food.

Try following a recipe to make a healthy meal or snack with an adult. Here is a link for some recipe ideas:

<https://www.bbcgoodfood.com/recipes/collection/kids-cooking>

Remember to take a photo of the end result!

Grammar

Learning Intention: I am learning what a passive verb is.

Complete the attached worksheet on passive verbs.

Watch this video first to jog your memory on what a passive verb is!
