

# Learning from Home (5/6 Week beginning 25/05/20)

## Spelling

Learning Intention - I am learning how to spell common words.  
Your Phoneme is 'au'. Create your own spelling lists containing this sound with these spellings:

a	o	au	aw
Stall	Shone	Fault	Yawn

## Shopping Online

Learning Intention - I am exploring the reasons for variation in costs of items on the internet.

With all of us being at home, online shopping sales have shot up! It would be a great time to learn about how online sale work. Have a go at the task uploaded under 'Shopping online'.

Follow this link for further information about Internet Shopping!

## Technology- Computing

Learning Intention: I am learning how to 'Touch-type'.

Touch typing is typing using a keyboard without looking at your hands. If you practise and do it well, it can be much faster than writing by hand.

This week we will progress to level 2. Here is the link:

<https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr>

## Class Novel Study - 'How to Skin a Bear'

Learning Intention: I am learning how to identify the purpose and main ideas of a text.

Read the remaining chapters of 'How to Skin a Bear' and complete the attached book review!

## Numeracy Arithmetic

Learning Intention: I am practicing my basic mental arithmetic

Complete the attached worksheet entitled 'Picture Puzzle'.

## RME

Learning Intention: I am learning about the Jewish festival of Shavuot.

Shavuot is a Jewish Festival beginning in the evening of Thur 28<sup>TH</sup> May and ends in the evening of Sat 30<sup>TH</sup> May.

Open up the **Shavuot Reading** to find out more about it and then answer the questions by opening **Shavuot Questions**. There are **3 levels to choose from so either read and complete \*, \*\* or \*\*\* which can be found at the bottom of each page.**

## Reading Comprehension

Learning Intention: I am learning how to identify the purpose and main ideas of a text.

Which Character in your 'How to Skin a Bear' book are you most like? Explain your answer.

## Addition and Subtraction

Learning Intention: I am learning how to use my knowledge of addition and subtraction to solve problems.

1. Complete the worksheet entitled 'addition to 100'
2. Complete the attached worksheet "subtraction within 100"

## French

Learning Intention: I am continuing my learning of French using an online learning resource.

Go to <https://www.duolingo.com/welcome> and then **Sign Up**. You will need an adult's email address to create your profile and keep track of your progress. Choose a password you will remember easily.

The more you visit the site the more points you earn so try and log on at least 10 min a day.

## Story Telling

Learning Intention: I am learning how to use my knowledge of a story, to effectively structure a piece of writing.

Complete the activity uploaded as 'Story Telling'.

## Money

Learning Intention: I am learning to discover how to make sense of money.

Copy and Paste the link below to become a money genius whilst playing some fun games! Try the next 4 games:

**How a bank works, Trash or Treasure, Memory Cards and Money spinner.**

<https://natwest.mymoneysense.com/students/students-8-12>

## Skills for Life/HWB

Learning Intention: I am learning how to complete everyday life tasks independently.

I am sure you can do lots of tasks at home yourself including tidying your bedroom, washing up, baking or vacuuming. Can you think of other tasks at home you can learn to improve on or do independently e.g. the laundry, changing bed sheets, gardening, cooking dinner for the family?

Discuss with an adult what task you can be fully responsible for this week and challenge yourself to complete it as independently as you can! Show me photos as evidence of your completed task.

**Listening and Talking**

Learning Intention: I am learning to listen to others and discuss my thoughts and feelings on current issues or news.

Look at this week's 'Picture News Paper' and 'Picture News at Home'. Talk with someone at home about what you have read using 'Picture News Resources' to support you.

**Problem Solving**

Learning Intention: I am developing strategies in Problem Solving.

You are going to sort out a calendar that has got mixed up. Good luck!

Click on the link below for this week's problem solving:

<https://nrich.maths.org/10322>

**IDL (HWB, Social Studies, Literacy)**

Learning Intention: I am learning about how to record facts and feelings about the current situation.

You are living through HISTORY right now. School has never been closed due to an epidemic and the country has never been in Lockdown before. It will be fun to create a time capsule to record all these things and have a look at them in the future or even show them to your own children.

Open up the TIME CAPSULE activity and choose some to complete (You do not have to complete them all unless you really want to!)
