

Weekly Learning at Home Plan

Week beginning: 20-04-20

Literacy	Numeracy	Other areas of the curriculum
<p>Phonics (sounds) 1) LI: I can revise different sounds. Reading and sounding out sounds. Please see seesaw activities for resources.</p>  <p>* practising this sound along with the other phonic flash cards is a good starter for each literacy session *</p>	<p>Numeracy 1) LI: I can identify fractions of a shape. Please see seesaw for the activities and further instructions.</p>	<p>Health and Wellbeing 1) LI: I am learning how to have a balanced diet. Thinking back to chapter 1 of Fantastic Mr Fox and what the farmers ate. How can you make up a plate to make sure they are eating healthy? Please see seesaw for the activities and further instructions.</p>
<p>Reading 2) LI: I can follow words in a text. LI: I understand what I have read. LI: I can use a dictionary.</p>  <p>Listen to Chapter 4 of Fantastic Mr Fox and follow the words as I read. Pick 5 words that you don't understand and use a dictionary to find out what they mean. Please see seesaw activities for full instructions https://www.youtube.com/watch?v=a7w6m7puxQY Chapter 1-3 if you need it.</p>	<p>Numeracy 2) LI: I can match a written fraction with the fraction of a shape. Please see seesaw activities for pictures and full instructions.</p> 	<p>Expressive Art – Music 2) LI: I am learning to make music in a rhythm.</p>  <p>https://www.youtube.com/watch?v=j22d7QYxFw0 Watch the tutorial yourself and follow the rhythm the teacher is sharing with you. Can you copy her rhythm saying the words to help? Can you tap different parts of your body with new words to create your own body percussion? https://www.youtube.com/watch?v=sb-2VsE2y-U – Watch how the professionals do it!</p>
<p>Spelling new and 'common' words. 3) LI: I can spell new words and common words.</p> <p>https://www.spellingtraining.com/ Use this website to type in the words and play games with these. Please see seesaw activities for word lists.</p>	<p>Numeracy 3) LI: to match a written fraction with a picture of a fraction. Activities set on sumdog.</p>	<p>Languages – French 3) LI: I am able to say how I am feeling.</p> <p>Watch the presentation and then teach what you have learned to someone else in your house. Please see seesaw activities for PowerPoint.</p>
<p>Writing 4) LI: I can write and continue on a story.</p> <p>After listening to chapter 4 of Fantastic Mr Fox continue on the story. Please see seesaw activities for helpful hints to support writing.</p>	<p>Maths 4) LI: I can use money to buy items and work out the given change.</p> <p>Using £1, price different items and allow children to 'buy' them and then work out the change.</p> 	<p>Expressive Art – Art 4) LI: I am learning to use line to create shapes from instructions.</p> <p>From Fantastic Mr Fox, can you use the description you are given to draw the various parts of the setting. Please see seesaw activities. Please keep this as this will be added to as we read through the book.</p>
<p>Listening and Talking 5) LI: I can discuss a topic given to me.</p> <p>Please see seesaw activities for the topic to discuss.</p>	<p>Numeracy 5) LI: To understand the link between a digit, its place and its value.</p> <p>Develop your knowledge and understanding of place value. Complete the place value maths challenge on Sumdog and earn coins for reaching the target!</p> 	<p>Health and Wellbeing 5) Health and Wellbeing 5) LI: I am learning to link actions and skills to create movement patterns and sequences.</p> <p>Create a dance routine to a song of your choice and perform this to someone at home.</p>
