

Learning from Home (P5/6) week beginning 20/04/20

Spelling

Learning Intention - I am learning how to spell common words.
Your Phoneme is 'k'. Create your own spelling lists containing this sound with these spellings:

c	k	ck	ch
Crease	King	Smack	Orchid

If there are any words that you don't know the meaning of, look them up in a dictionary and write down the definition.

Numeracy

Learning Intention - I am learning what factors, multiples and prime numbers are.

Copy and complete the worksheet titled: "Factors, multiples and primes." To remind yourself, watch these clips:

<https://www.bbc.co.uk/bitesize/articles/zfchpg8>
<https://www.bbc.co.uk/bitesize/topics/zm982hv/articles/zvmhpg8>

Dance

Learning Intention - I am learning the basic steps to the Samba Dance.

Try learning the basic steps to the Samba Dance.

When you have, you can try to match them to Samba music! A really good song for samba dancing is 'Unforgettable ft. Swae Lee' by French Montana. See if you can make your own routine and teach it to a family member!

Class Novel Study

Learning Intention: I am learning how to identify the purpose and main ideas of a text.

Download the e-book 'How to Skin a Bear'.

Read Chapter 1 of the 'How to skin a Bear book and then copy and complete the 'Unenjoyable Jobs Activity' sheet.

Time

Learning from home will look differently for all of you. It is really important that you stick to a routine to keep your mind, focussed, and your body, healthy! Create a timetable for your week that you will stick to. Think about what time you will...

- Wake up
- Have breakfast
- Work on literacy
- Work on numeracy/math
- Work on an additional school task
- Have a morning break and a lunch break
- Finish for the day!

Send me a copy of your timetable when it's complete.

Art

Learning Intention: While working through a design process in response to a design brief, I can develop and communicate imaginative design solutions.

Follow these step-by-step 'how to' drawing tutorials. Choose whatever one you want and send me a picture of the final draft! If you're really enjoying your drawing, see if you can make your own tutorial for others in the class to follow!

Reading Comprehension

Learning Intention: I am learning how to identify the purpose and main ideas of a text.

Make a list of adjectives in Chapter 1 of 'How to Skin a Bear'.

Then make up some sentences.

Each sentence must contain at least three of these adjectives.

Times Tables

Learning Intention: I am learning my times tables.

Choose a times table you would like to get better at, and create your own multiplication flower (an example is shown below under the heading 'Times Tables Flower')

French

Learning Intention: I am learning how to introduce myself and family in French.

Practice your French vocab! If you have a phone, it is a good idea to record yourself saying the numbers, colours and family and friends vocab and listen to it. Send in a video of you introducing yourself and a family member in French!

<https://www.bbc.co.uk/bitesize/subjects/z2mxsbk>

Instructional writing

Learning Intention: I am learning how to write instructions.

Ask the adults your house if there is a job you can help with. Once you have completed the job, write a set of instructions explaining how to do it. Share these instructions with me over seesaw and see if I can guess what job it was you were helping with!

Here is a website that will help you to remember how to write your instructions effectively.

<https://www.bbc.co.uk/bitesize/topics/zkqcmwn/articles/zfrcmfr>

Fractions

Learning Intention: I am learning how to add fractions.

Have a look at the webpages below to remind yourself of what makes a fraction, and how we can add them together. Once you have done this, complete the worksheet entitled 'Adding fractions'.

<https://www.mathsisfun.com/fractions.html>
<https://www.bbc.co.uk/bitesize/topics/zghnb9q/articles/zh7yyk7>

Science / Outdoor Learning

Learning Intention: I am learning why bees are attracted to flowers.

Visit this website and watch the video. See if you can complete the quiz at the bottom.

Take a walk outside and use the app 'Picture This'. This app allows you to identify different plants and learn different facts about them. If you have your adult's permission, you can download this app and sign on for a 7 day free trial.

<https://www.bbc.co.uk/bitesize/topics/zxfrwmn/articles/zmcnsw>

Grammar

Learning Intention: I am learning the about apostrophes.

Read a book of your choosing.

Choose 4 pages of your book. Write down every word that has an apostrophe and explain why it is there.

This video will help you to remember the purpose of apostrophes.

<https://www.bbc.co.uk/bitesize/topics/zvwxnbn/articles/zx9ydxs>

Information and Data

Learning Intention: I am learning how to present information.

On one of your trips outside this week, create a tally chart of how many animals, moving cars and people out for a walk (excluding yourselves) that you see.

Then convert this data into a pie chart.

Health and Wellbeing

Learning Intention: I am learning how to keep myself safe online.

Visit the *interland* website and learn some new ways of keeping yourself safe online.

https://beinternetawesome.withgoogle.com/en_us/interland
